Spring 2011

LK2 Architects

LK2 Architects have been employed to help bring vitality back to Lincoln's Waterside Shopping Centre.

As reported in the Lincolnshire Echo 25th Feb 2011 the complex has been bought by Capital And Regional PLC for £24.8 million and LK2 have been commissioned to assist in plans to invest up to £5 million in a bid to attract more retailers to the city.

Kenneth Ford, executive director of Capital And Regional PLC, stated: "It's a retail outlet which we feel has opportunities for retailers, who might not have a strong presence or indeed no presence at all in Lincoln, to develop. We want to make sure it is a space in which people want to shop and businesses want to trade."

The partners of LK2 have an intimate knowledge of Waterside being directly involved in the original design and construction of the Centre.
